Board of Supervisors

SUBJECT: Draft Local Agency Management Plan (LAMP) for On-site Wastewater Treatment Systems (OWTS)

Dear Board Members:

Attached please find a copy of the Draft LAMP for on-site wastewater treatment systems also known as septic systems.

A workshop has been scheduled with you to review this document on Tuesday, April 12, 2016, from 9:00 – 10:00 am. A Board meeting will be scheduled for May 10, 2016 for approval of the final document for submission to the Regional Water Quality Control Board, San Francisco Region (RWQCB). The LAMP must be submitted to the RWQCB no later than May 13, 2016.

The LAMP will be posted on the CDA/EHS website. The septic industry and interested parties will be informed of the availability of the LAMP for their review.

If you have any questions prior to the April 12 workshop, please feel free to contact me at rng@marincounty.org or 473-6919.
