Dear Colleagues,

Enclosed is a letter we are asking you to approve sending to the Secretary and Deputy Secretary of the California State Transportation Agency asking them to fund the next steps in SMART going to Suisun along State Route 37 and to complete the 70-mile SMART system between Larkspur and Cloverdale.

Damon Connolly
1ST DISTRICT

SMART received funding from the State for a technical feasibility study of passenger rail service between Novato and Suisun City which looks very promising on several levels.
